

Technical Zone dimensions

Dimensions of the Technical Zone

- a. The two technical zones shall be provided within the playing enclosure on the same side of the pitch, each one on either side of the half-way line and outside the field-of-play.
- b. These technical zones must be marked on the ground.
- c. The line nearest the touch line must be parallel to the touch line.
- d. The technical zones commence a minimum of five metres from the halfway line. The technical zones must not exceed ten metres in length and three metres in width and must not be less than two metres from the touch line.
