Final Notes

1. Please report all game scores to Walter van Halst at (778) 855-9937 immediately after your game so that we can get the scores up on the website at www.bcssru.com promptly.
2. Make sure that you email the report for your game on Friday, May 3rd before you go to bed on Sunday evening, May 5th to howardtsumura@gmail.com so that Howard Tsumura of Varsity Letters can include it in his weekly BC High School Rugby Report which will have a special Stadium Series edition, just as it did for Round 1. Each report should include the score, the point scorers and a brief description of the match. We have been getting great coverage this season and this is important for the growth of our sport.
3. Stadium Series Fees are still unchanged after 4 years at \$ 75 per game. A reminder, coaches do not need to bring this with them as we will invoice at the time of the Provincial Championships.
