

BCSSRU Scholarship Application Mandatory Essay

Suggestions for Candidates:

- Focus on the topic; don't lose that focus.
- Organize your thoughts into cohesive paragraphs, at least three. An essay requires an introductory paragraph, one or more paragraphs of evidence, description or comments, and a summary paragraph.
- Punctuation! Use the apostrophe, comma, semi-colon and period correctly. In particular, do not scatter commas or use them to separate sentences. Avoid incomplete and run-on sentences.
- Check for errors in grammar, word choice and spelling. Avoid errors such as 'had went' for 'had gone', 'moral' when you mean 'morale', 'then' instead of 'than', 'panicle' rather than 'pinnacle'. Compose carefully and proof-read your work.
